If you would like more templates please ask your dance educator for extra copies. It is your responsibility to take your artwork after the recital is over. All unclaimed pictures and artwork will be thrown out if not claimed within a week of the recital. Have fun with this project and do not feel pressured to make it perfect. The intention is to connect our dance families, share stories and bond as a community. Make sure to check out the decorations before the show....they are ALWAYS fun to view. ## **PICTURE DAY AND DRESS REHEARSAL**

### **PICTURE DAY AND DRESS REHEARSAL ON WEDNESDAY, MAY 29:**

During this day you will want to make sure your dancer is looking their best! They will get their professional pictures taken by our new photographer: Photography by Feltes and we will have a photographer doing action shots onstage while they practice. Dancers will start on stage practicing their dance in costume with full lights and sound 1-2 times. Immediately following their dance an IAC helper will take them to Professional Photographer for their group and individual pictures. Please note that parents are not allowed in the back hallway while dancers are getting photographed. Too many adults makes dancers feel self-conscious and confused and can make the photo process much more stressful than it needs to be. Parents will be expected to meet their dancer in the lobby after their photo is done. At that point dancers will either need to quickly change for their next dance or they are free to go home.

Dancers who have costume changes should bring all costume pieces and practice doing their changes on their own. Dressing rooms will not be open during Dress Rehearsal. Dancers may use the bathroom in the lobby. Dancers with costume changes are **HIGHLY ENCOURAGED** purchase a nude leotard to wear under their costumes for quick and easy quick changes. You can order these online (discountdance.com, amazon, etc.), at our studio shop on Curtain Call for Class (Studio Name: Innovation Arts Connection, Studio Keyword: Innovation25) or visit Dance N Tees in Schamburg.

Please arrive in full costume, hair and make up **30 minutes prior** to your assigned call time. We are hoping to run ahead of schedule so that we can get out early. Being early to your call time ensures we can do this.

**Medinah Park District and Innovation Arts Connection employees are not responsible for your child during the Dress Rehearsals. Please stay with your child for the entirety of the Dress Rehearsal.** This rule includes all dancers including older dancers. Please make sure someone is supervising your dancer. If you miss your rehearsal time we will not go back to run it again. If you miss your Group Picture we will not be able to take another one. Please be sure to be on time and present for your assigned time!

The front 6 rows will be roped off so that there are no distractions at the front of the stage during rehearsal. We ask that you sit toward the back of the theatre and with your assigned group (rows will be labeled with signs) and keep all belongings and feet out of the aisle so that dancers can get to the stage quickly. Parents and dancers may sit and watch the rehearsal while waiting to practice. Please be respectful of the dancers on stage. Please silence phones and electronic devices, refrain from talking and please no food or drink in the theatre. Sit quietly so that the dancers may pay close attention to all directions they are given on stage. Additionally, please make sure dancers not on stage, siblings of dancers and other children are not running around in the theatre. It is very unsafe for children to be running around during the Dress Rehearsal because the

theatre is not properly lit. You will be asked to stay in the lobby of the theatre if your children are not following these safety directions.

You will be responsible for helping your child with costume changes during Picture Day/Dress Rehearsal. Dressing rooms are not available during dress rehearsal. There is a bathroom in the lobby.

It is very important that all dancers participate in the Dress Rehearsal so that they are prepared and ready for the recital. Dancing on a big stage with bright lights and loud music is much different than the dance studio.

Additionally, it is important to have all dancers in their Group Picture. We hang a group composite of all Recital Classes in the studio every year. Dancers LOVE to see themselves in these photos. All dancers are welcome and encouraged to posse for the group shot even if you choose not to purchase professional pictures. Picture Day order forms are attached. A Feltes representative will be available on Picture Day to answer questions. Please complete your order form or arrive early to ask questions and complete your order form so that it is ready at your child's call time. This saves us so much time and helps us to run the Picture Day and Dress Rehearsal on time. ***The reason we are usually behind is due to Picture Order Forms not being complete. Note: the photographer will not take your child's individual picture without an order form in hand!***
